REPORT OF SCHOOL BOARD.

To the Citizens of Bow:

The number of weeks of school maintained this year is the same as last year—thirty-six. There has been comparatively little sickness among the children this year and no severe storms to interfere with the traveling. Consequently, the attendance in most of the schools has been larger than a year ago.

It has been the aim of the school board to put into as good repair as possible the different school buildings of the town.

At Wood Hill school a new chimney has been built, the schoolroom has been plastered and painted and new blackboards put in. The blinds have also been repaired and painted.

At the River Road school the building has been painted inside and outside and the walls of the schoolroom cleaned.

At South Bow the walls of the schoolroom have been cleaned and at the Bog repairs have been made upon the shed.

At the present time there is no suitable supply of water for the North Bow school. It seems necessary that something be done to provide water for the school.

The following amounts will be needed for the coming year:

Money required for text-books and scholars' supplies,	$115.00
Money required for high school and academy tuition,	350.00
Money required for flags and appurtenances,	20.00
Money required for salaries of school board,	80.00
Money required for salary of truant officer,	10.00

Money required for salary of school treasurer,	$10.00
Money required for salary of school clerk,	2.00

Respectfully submitted,

EMMA P. CLOUGH,
WILLIAM A. WHITE,
F. E. COLBY.
